Group Art Unit: Not Yet Assigned

**REQUEST TO TRANSFER SEQUENCE LISTING
FROM RELATED APPLICATION**

MAIL STOP: PATENT APPLICATION

Commissioner for Patents
P.O. BOX 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants request that the Sequence Listing in both computer readable form (CRF) and paper copy from prior U.S. Application Serial No. 10/346,853 be transferred to the above captioned U.S. Continuation Application.

Applicants assert that as far as the undersigned is aware, the sequences of 10/346,853 are the same as those sequences in this continuation application. Application No. 10/346,853 is a continuation application of Application No. 09/100,812 (now Letters Patent No. 6,573,099), the transfer is therefore appropriate.

Furthermore, Applicants assert that the paper copy and the computer readable copy of the sequence listing in 10/346,853 are identical.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 546322000302. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: January 15, 2004
